# ICE CREAM LIST 2010

**Disclaimer:** This Ice cream list has been produced in good faith. Every endeavour has been made to ensure that the information accurate and up-to-date. Because we rely on information from manufacturers and product ingredients can change without notice, Coeliac UK cannot be held responsible for any inaccuracies in this list. We are always updating this information and adding more products when we receive information from manufacturers so please do check back for an up-to-date version.
