Deletions

The Infinity Foods product has been removed from our Food and Drink guide, as it is no longer produced. If you have the product listed in your home, it is still suitable for a gluten free diet. You will however no longer be able to purchase the item from the retailer.

The Strong Roots product has been removed from our Food and Drink guide, as it is no longer suitable for a gluten free diet. The company have updated the labelling to show a ***"Produced in factory that handles wheat"*** statement. If you already have this product in your home, please check product labelling to confirm suitability.
