

Coeliac Champion

As a candidate for the Senedd, I pledge to be a champion for people with coeliac disease across Wales.

Deliver a “Once for Wales” pathway:

Develop a unified national pathway covering diagnosis, post-diagnosis care, dietetic support, and access to the Gluten Free Subsidy Card Scheme.

Empower our workforce:

Invest in training for GPs and allied health professionals, appoint a national clinical lead for coeliac disease

Strengthen diagnostics:

Expand no-biopsy protocols, lower testing thresholds and standardise adult serology reporting across Wales

Strengthen post-diagnosis care:

Expand specialist dietetic capacity, introduce structured follow-up and commit to rollout of the Gluten Free Food Subsidy Card across all health boards.

Review services:

Commission a national review of coeliac services against forthcoming BSG guidance.
