

How to find the Coeliac UK office and where to park

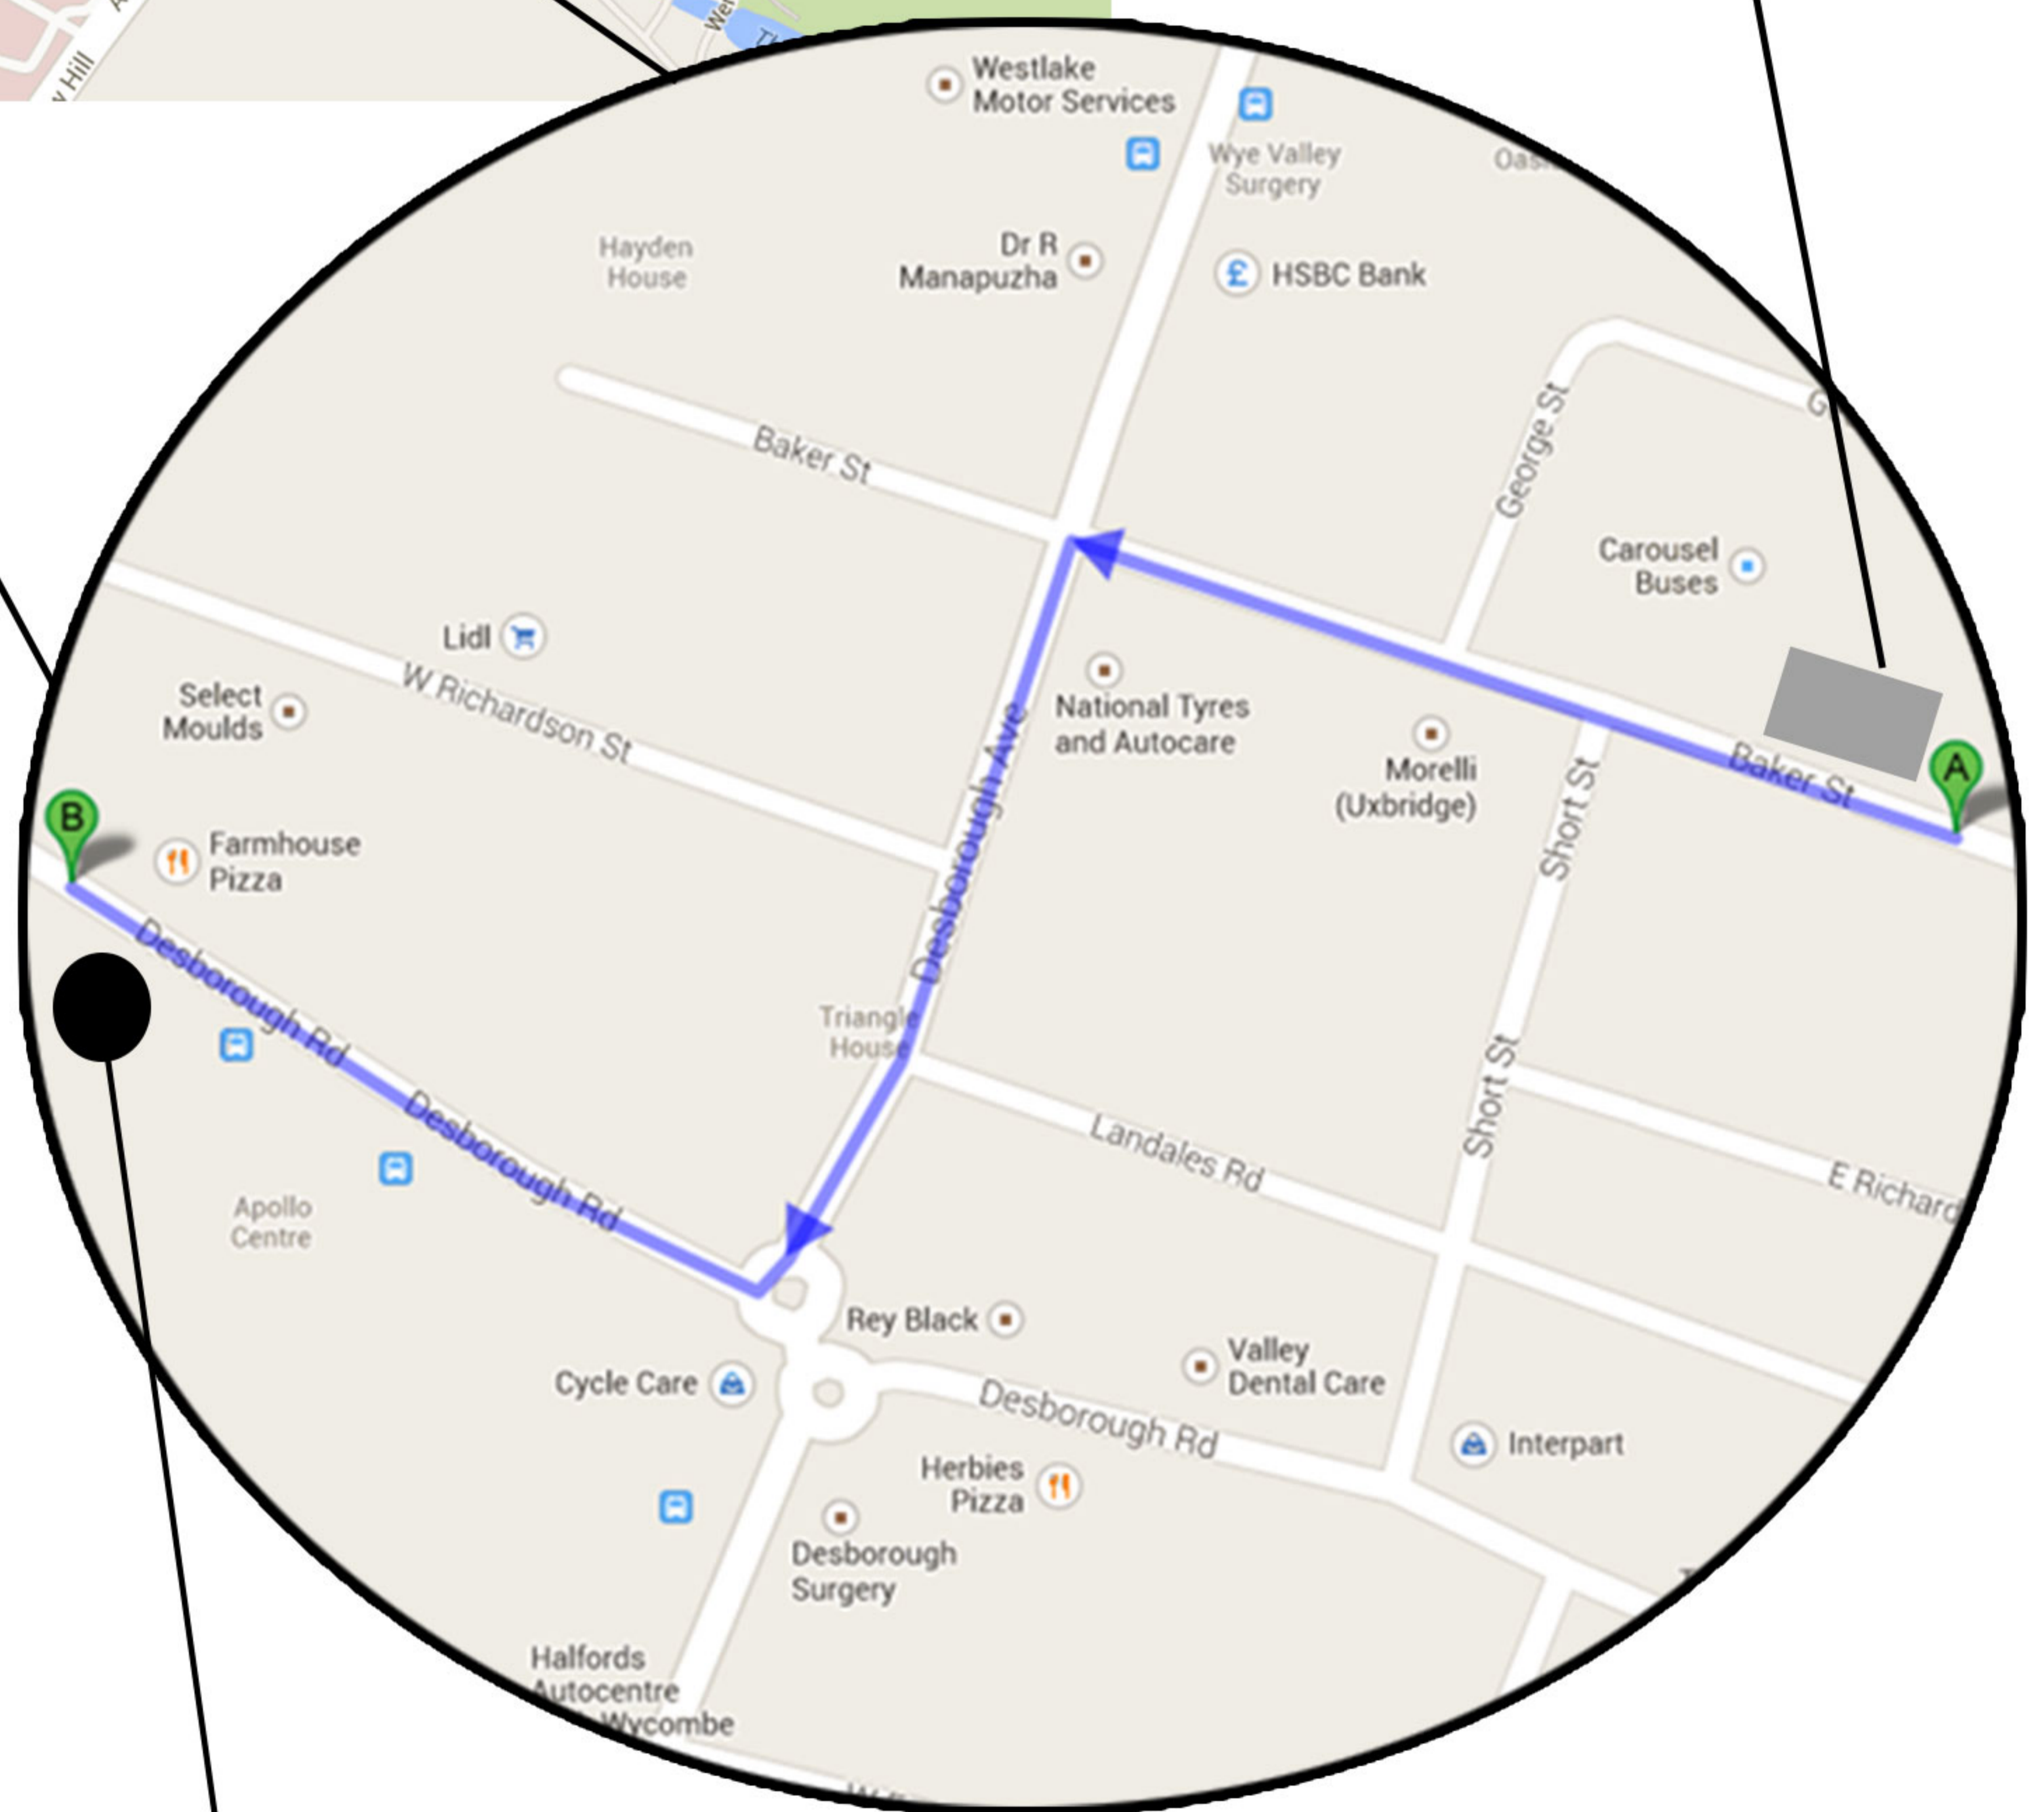

The office does not have a visitor car park but parking is available in the nearby Baker Street car park shown in grey on the map below.

Baker Street car park

Visiting Coeliac UK

Unfortunately there is no visitor parking available. The closest car park is Baker Street located in grey on the map. Parking is £3 per day and the site is just a short walk from the office. Just walk along Baker Street, turn left onto Desborough Avenue, at the roundabouts turn right onto Desborough Road, walk down the road and the Apollo Centre will be on your left.

To make deliveries

Van deliveries can be made via the staff car park at the front of the building. Use the intercom at the gate and a member of staff will buzz you in. Please call ahead to make arrangements for larger deliveries so we can ensure as little inconvenience to other car park users as possible and minimise obstruction of the road. Call 01494 437278 to arrange.
