

Dear Pauline Kidd and all at Coeliac UK support group Wessex,

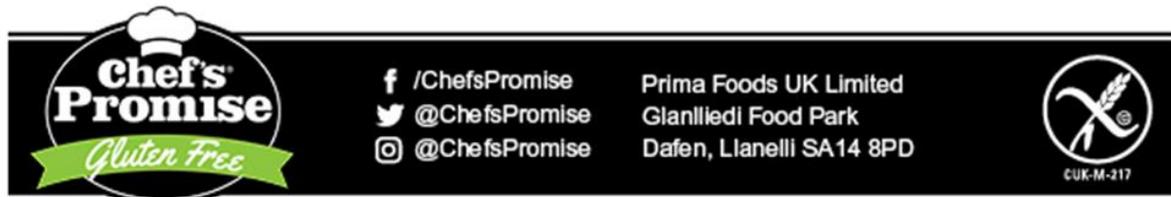

Chef's Promise is a newly created brand creating delicious gluten free baking mixes. Our range currently includes crumble topping, shortcrust pastry mix, dumpling mix, sponge & cupcake mix and stuffing mix, and we will be adding more to our existing range this year. Chef's Promise is available to buy on our online shop www.chefspromise.co.uk/products – with a bulk discount for orders of two or more boxes.

Chef's Promise mixes are easy to make, requiring two or less additional ingredients. Our aim has been to create a gluten free alternative that tastes just as good (if not better) than the original; we are proud of our mixes and the fantastic flavours it delivers.

We'd really like to offer your members a discount if they purchase our products – if they use the code **gftasty18** at the checkout there will be a £1 discount on their basket.

If you would like any more information on our products then please get in touch via email, bethan@chefspromise.co.uk

Thank you,
All the best,
Bethan
