Please consider including a donation. A donation to Coeliac UK will be used to campaign for greater knowledge around coeliac disease and other gluten related conditions, fight to change legistlation and challenge the food industry to provide better options for those needing a gluten free diet. It also goes towards our ground breaking research into the disease, what causes it, possible new treatments and hopefully one day finding a cure.

I want Coeliac UK to claim Gift Aid on my donation, any donations I have made in the past four years, and those I make in the future, until I tell you otherwise. I am a UK taxpayer and understand that if I pay less Income Tax and/or Capital Gains Tax than the amount of Gift Aid claimed on all donations in that year it is my responsibility to pay the difference. I will tell Coeliac UK if I am no longer eligible to claim Gift Aid or if my name or address change.
