

## Modernising Patient Pathways Programme

### Coeliac Disease Pathway Launch Meetings

Following publication of the **Modernising Patient Pathways Programme Coeliac Disease Pathway Test of Change Report** and associated **toolkit** documents, we are delighted to invite you to join one of our launch meetings. Please share this communication with other colleagues that may have an interest in attending.

By attending a meeting you will be able to:

- Find out about the background of this work
- Hear the 'warts and all' story of implementation from the test of change teams
- Learn about the impact of the pathway on Primary Care
- Hear from our colleagues at Community Pharmacy Scotland about how they are maintaining provision of the Gluten-Free Food Service in these unprecedented times
- Discover what is coming in the future for this exciting piece of work
- Finally, of course, you will also be able to ask questions throughout

In order to accommodate as many people as possible, we are offering 3 meeting dates at different times of the day:

**Wednesday, 4th November at 10:30 - 12:00**

**Thursday, 12th November at 14:30 - 16:00**

**Thursday, 19th November at 18:30 - 20:00**

*Please register your interest by emailing [holly.abercrombie@gov.scot](mailto:holly.abercrombie@gov.scot), remember to indicate which meeting you would prefer to attend*

**The Coeliac Disease Test of Change Final Report and associated toolkit documents can be found on the TURAS platform: <https://learn.nes.nhs.scot/28090/scottish-government-health-and-social-care-resources/modernising-patient-pathways-programme/documents-resources>**
