And don't forget we have lots of Easter themed recipes for you to try too at coeliac.org.uk/easter-recipes

We aim to include as many supermarkets and brands as possible and we give every retailer the opportunity to list their products that are suitable for the gluten free diet. Tesco only provide their product information for inclusion in our digital services, so please see our Live Well Gluten Free app and online Food and Drink Information for their full list of products. Easter themed products from Aldi will be available from the 15 March 2024 and can be accessed via our Ready Made Lists page on our website coeliac.org.uk/ready-made-lists

Our Crossed Grain trademark  is a symbol displayed on food packaging showing that food brands have met the stringent gluten free food safety standards imposed by our Crossed Grain trademark certification scheme, so you can shop with confidence and find gluten free foods quickly and easily.
