This list includes Christmas themed items. For a full list of other items that are suitable for a gluten free diet, check our **Live Well Gluten Free app**. We aim to include as many supermarkets and brands as possible, and we give every retailer the opportunity to provide their product information. Aldi will provide their list of Christmas products in our digital services. Tesco only provide their product information for inclusion in our digital services. We also have a range of handy ready-made lists for popular product categories and seasonal items, which you can find on our website at coeliac.org.uk/ready-made-lists

Our **Crossed Grain trademark**  is a symbol displayed on food packaging showing that food brands have met the stringent gluten free food safety standards imposed by our Crossed Grain trademark certification scheme, so you can shop with confidence and find gluten free foods quickly and easily.

Please note that a small number of items in this list contain gluten free oats. If avoiding gluten free oats, you can filter these products out by setting your dietary preferences and using our Live Well Gluten Free app.
