## No More Lost Childhoods

Jacqui was invited by Coeliac UK to attend the "launch party" for this last week. Jacqui says she felt very privileged to have been invited and whilst there met Jane Devonshire (Masterchef Winner and a Coeliac UK Ambassador).

She also heard from Dr Peter Gillett who is a Consultant Gastroenterologist and a member of Coeliac UK's Health Advisory Council.

*"Coeliac UK are urgently driving to get more children successfully diagnosed and save their young loves from the debilitating effects of this awful disease"*

All Coeliac UK members will shortly receive more information from Coeliac UK outlining how members can help.
